Get rapid opinion and analysis on the
biggest news stories of the day from
our award-winning columnists.

The Big Read

Big topics explained

In-depth reporting and longform stories that explore and explain key themes in world news, science and business.

Martin Wolf [@martinwolf](#)

Martin Wolf is chief economics commentator at the Financial Times, London. He was awarded the CBE in 2000 “for services to financial journalism”.

Roula Khalaf [@khalafroula](#)

Roula Khalaf is Deputy Editor of the Financial Times. She has worked for the FT since 1995, first as north Africa correspondent, then Middle East correspondent and most recently as Middle East editor.

Gideon Rachman [@gideonrachman](#)

Gideon Rachman became chief foreign affairs columnist in 2006. He joined the FT after a 15-year career at The Economist. His particular interests include American foreign policy, the European Union and globalisation.

Gillian Tett [@gilliantett](#)

Gillian Tett serves as US managing editor. She writes weekly columns for the Financial Times, covering a range of economic, financial, political and social issues.

Columnists

Understand the news with opinion from our team of experts

Sophisticated and thought provoking commentary from our team of acclaimed columnists, bringing together developments from different markets and disciplines.

Janan Ganesh [@JananGanesh](#)

Janan Ganesh is a political columnist for the FT. Janan was previously political correspondent for The Economist for five years, and a researcher at the Policy Exchange think tank for two.

Martin Sandbu [@MESandbu](#)

Martin Sandbu has been writing about economics for the FT since 2009, when he joined the paper as Economics Leader Writer. He now writes the FT's Free Lunch.

John Gapper [@johngapper](#)

John Gapper is associate editor and chief business commentator. He writes a weekly column, appearing on Thursdays on the Comment page, about business trends and strategy.

Columnists

Understand the news with opinion from our team of experts

Sophisticated and thought provoking commentary from our team of acclaimed columnists, bringing together developments from different markets and disciplines.

Pilita Clark [@pilitaclark](#)

Associate editor and business columnist at the Financial Times, Pilita writes a weekly column on modern corporate life, as well as features and other articles.

Work & Careers

From leadership and equality, to personal productivity and wearable technology, the FT delivers insight into management ideas and the biggest trends shaping the way we work.

Entrepreneurship

News, trends and ideas that matter to entrepreneurs and start-ups, as well as challenges they face.

Business Education & MBA Rankings

Read comprehensive rankings of global business programmes and schools, plus interviews with their faculty and deans.

The Connected Business

A special report published several times a year which helps business leaders understand the newest trends in technology and their impact on the workplace.

Life & Arts and FT Weekend

Read beyond the expected with the Life & Arts section and FT Weekend content.

Life and Arts

From book reviews to travel and style features, there is something to suit all tastes.

Lunch with the FT

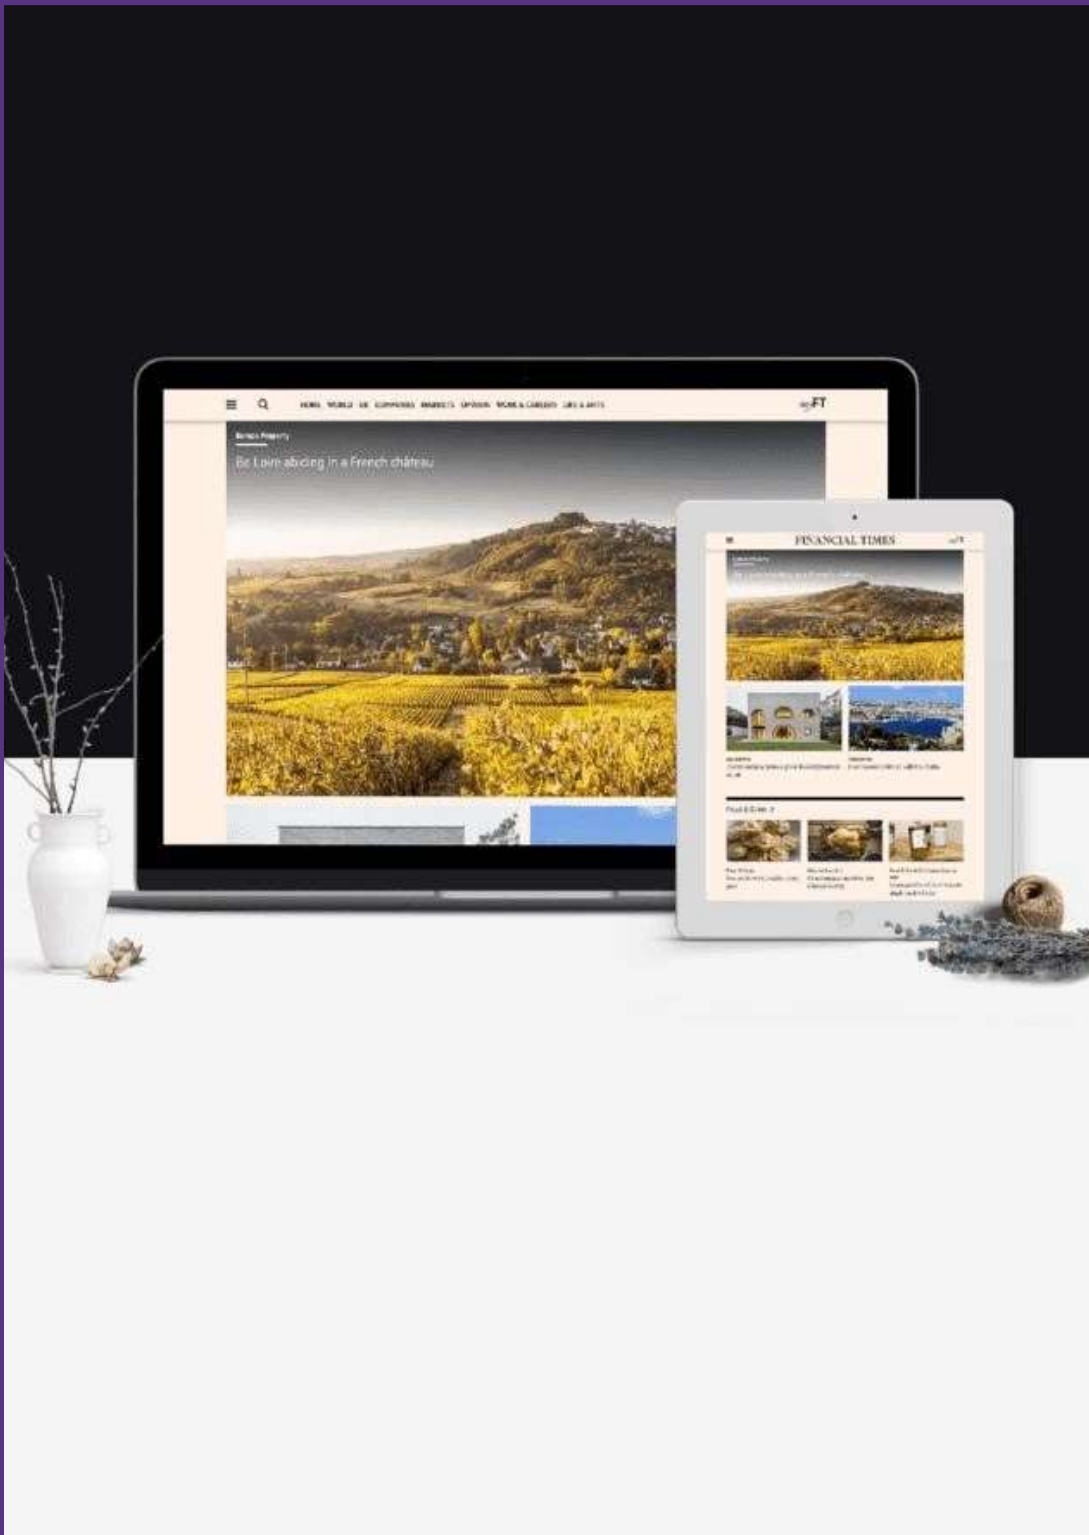

A weekly interview featuring everyone from film stars and politicians, to tycoons and lifestyle gurus.

House & Home

Exploring hot property, architecture and interiors from the international market with authority and humour.

FT Magazine

Powerful photography, evocative in-depth reporting and weekly columns on sport, food, wine and more.

Watch

Get up to speed with FT video, bringing you reporting and insight from across the FT, including the World in 60 seconds, Editor's Choice, the global economy and more.

Listen

Many of our most popular sections and columns are now available as podcasts.

About the Financial Times

The Financial Times has been one of the world's leading business intelligence providers and most trusted news organisations for over 125 years. We hold true to our values of integrity, authority and accuracy, reporting without fear or favour across the globe.
