

Where timeless quality meets the cutting-edge

Since 1974, we've been at the forefront of independent financial research.

Who we are

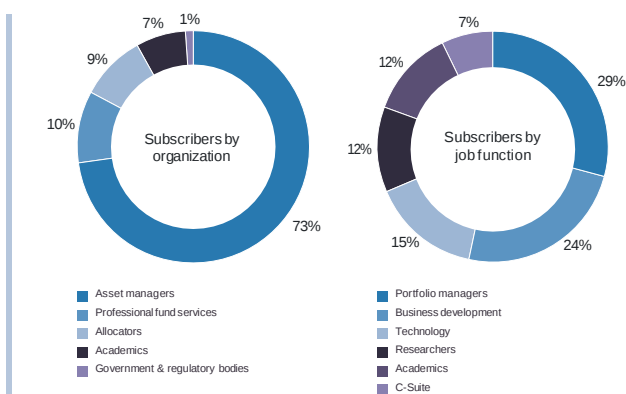

Covering a wide variety of investment topics, and with contributions from some of the most prominent figures in finance, Portfolio Management Research informs investment strategies with some of finance's most pioneering concepts.

A trusted source providing ground-breaking research for the investment and asset management communities, we give you access to the very latest in financial thinking — so you can deliver the best performance for your clients.

Trusted by 60% of the world's top 50 asset managers

Our clients

With a community of advocates to vouch for us — PMR is a brand you can trust. Our research is relied upon throughout the investment community.

“PMR’s research on portfolio management is literally required reading for anyone in the field of quantitative finance.”

Our clients

Cliff Asness — AQR Capital Management, LLC

A platform that allows you to react

The platform

A subscription providing in-depth intelligence — whatever your research needs.

Unrestricted Access

Unrestricted access to our full portfolio of research, including both new and historical articles.

Online First Research

Access articles as soon as they are published on our online platform, as well as PDF editions downloadable directly from the website.

Topics

Browse content by prominent subject areas covering more than 60 investment disciplines, with over 10,000 articles in our archive.

Collections

Handpicked by our editors, our curated collections bring together the most important and influential research from across our portfolio on specific themes and timely subjects.

Practical Applications

A digestible overview offering clear recommendations on how to action an article's findings.

Highlights

Displaying the most interesting and most read articles across all our research.

Email Alerts

Subscriber only emails notify you of new journal releases, latest online research, and topic lead content.
