

“HBR is the best investment for developing others and staying current myself.”

—Human resources professional

Empower Your Team to Meet the Moment

Harvard Business Review Group Subscriptions

Prepare your team to navigate the fast-moving world of business with timely—and timeless—content from *Harvard Business Review*. Executives around the world turn to HBR’s essential advice when making tough decisions, seeking industry insights, or reflecting on their own leadership. Now HBR offers you the ability to cascade this powerful resource throughout your organization.

A digital subscription for teams includes:

- Access to the full *Harvard Business Review* archive
- All articles from HBR magazine, as they’re published
- Content organized by magazine issue, by topic, and by industry
- The ability to follow topics and save or curate articles through My Library
- *The Insider*, a weekly subscriber-exclusive newsletter
- The all-new HBR mobile app
- Your logo on the subscription redemption page

HOW CAN ORGANIZATIONS LEVERAGE A GROUP SUBSCRIPTION?

- As a self-guided learning tool for your team
- As a perk for executives at your organization
- As a gift for your most valued clients
- As a sales tool for leads and prospective clients

“I have found my subscription to be consistently beneficial, providing insight for me and for developing my team.”

—Manager, professional services
